Dave & Daphne — Performing June 29th

Dave Salyer has toured the world with Barbara Mandrell, performed at the White House for the President on three different occasions, and appeared on countless TV shows. He is acclaimed as one of the most fabulous guitarists on the planet by Roy Clark! Barbara Mandrell simply states, "Dave Salyer is the best guitarist I've ever had". His repertoire ranges from the Orange Blossom Special to the Flight of the BumbleBee and from the Wildwood Flower to the William Tell Overture. He is also an accomplished vocalist, songwriter, and humorist!! Best of all, Dave Salyer is just a regular guy with a God given talent to touch people with his music.

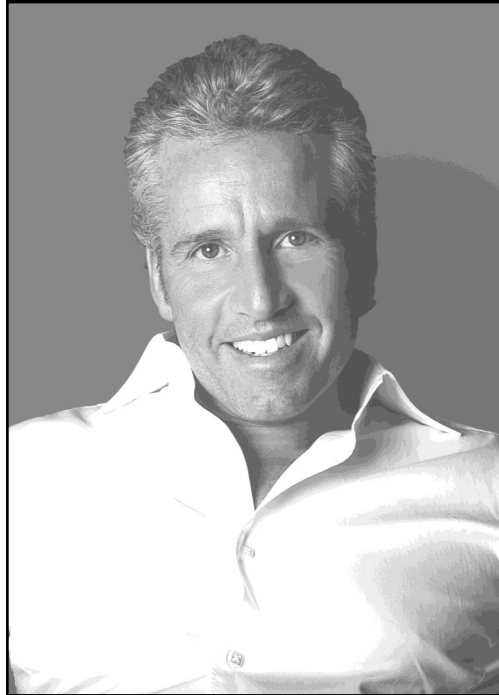

Daphne Anderson is a beautiful female vocalist born and raised in Albany, Georgia. While attending college, she performed in pageants, talent contests, and churches. She has toured with some of the greatest Southern Gospel Music Groups of all time! — The Bill Gaither Group, The Florida Boys, The Cathedrals, Rex Nelon, The Hinsons, and many others. Daphne is best described as a cross between Shania Twain and Patsy Cline! The crowds have absolutely fallen in love with her! She's gorgeous, quick witted, and super talented! Her recently recorded CD, "One Of These Days", has been met with rave reviews across the U.S. and Canada.

Dave and Daphne both give God the glory for their talents, and together they have formed a duo with all the energy of a Las Vegas Show with solid country music roots!! A down-to-earth guy and girl with one goal — to provide clean, quality, exhilarating entertainment.

Brian Roman — Performing July 1st

Brian Roman is living the answer to a question that most of us are too afraid to ask: “What if?” Not that long ago, Brian Roman was a salesman with a 9 to 5 job, selling insurance and real estate. Although he was successful, he was not fulfilled. One day, he did something that most of us would never consider: He followed his dream. Although he looks like he just walked right off the silver screen, Brian Roman is not acting. He’s the real deal -- a gifted singer and born entertainer.

Brian committed to doing something every single day that would bring him closer to his dream of a singing career. Only six short years later, his undeniable talent has him performing worldwide

sharing his passion and reason for being. It was during one of Brian’s spectacular performances that world-renowned entertainer, Pavlo, was drawn to Brian’s inspiring energy. Pavlo immediately sought to work with Brian to produce an album that could reflect the preeminence of a Brian Roman concert experience.

Brian’s debut album, “Dreamer”, was released early in 2013. It features collaborations with illustrious songwriters Marc Jordan, Jody Raffoul, and John Capek; in addition to acclaimed musicians Oscar Lopez, George Koller, and Pavlo. Brian Roman’s album, “Dreamer”, is the long anticipated answer for a brave man who had the courage to ask, “What if?”
