

President's Message

Welcome to Huron, South Dakota, and the 56th International Rally of the Wally Byam Caravan Club International. All of our activities, and especially the International Rallies, are planned and conducted by a small army of individual members who begin planning the next rally before the close of the previous one. Sandie and I have had the pleasure of helping with those preparations throughout this past year including observing the development of a team of individuals with the common goal of benefiting other members. Everyone has paid their rally fee, travelled long distances, and worked hard to make this rally a success for all attendees. We all owe a heart-felt thanks to everyone who has contributed. Sandie and I thank you for coming and encourage you to tell each person you observe doing something that you appreciate their efforts. Enjoy the "Fun, Fellowship, and Adventure" that is waiting for you in Huron, South Dakota. Meet up with old friends and make some new ones.

Blessings,

John and Sandie Boutwell
International President and First Lady

Welcome!

On behalf of the Huron Chamber & Visitors Bureau, and the community, I would like to extend a huge welcome to the Wally Byam Caravan Club International. While you are visiting, I hope you have the opportunity to explore the community whether it is visiting some of our local merchants, taking a tour of our "larger than life" outdoor murals, playing a round of golf, or taking a stroll through one of our parks or walking trails. Our newest attraction is Splash Central Waterpark, located just a few blocks from the fairgrounds. This is not your ordinary waterpark! The signature ride at the park is the Master Blaster Water Coaster, so grab your suit and have some fun in the sun. You might also want to check out Ravine Lake Park where you can enjoy some mini-golf, take a ride in a paddle boat and treat yourself to some SDSU ice cream. Don't forget to get a photo next to the World's Largest Pheasant (yes, laugh if you may, but we're proud of our big bird who is a testimony to the rich hunting resources of the area). Hope you enjoy your stay with us and come back and visit soon! Sincerely,

Peggy Woolbridge

Executive Director, Huron Chamber & Visitors Bureau

Greetings to the Wally Byam Caravan Club International.

It is a pleasure to welcome you to Huron, SD, for the 2013 WBCCI Convention and Rally. We are pleased that you chose Huron, SD, and the South Dakota State Fair Park to host such an important gathering of Airstream enthusiasts. We hope to satisfy your unique passion for travel, adventure, and making new friends.

It is our sincere wish that your visit is a great success. The South Dakota State Fair and the Huron community will make every effort to make your stay with us a safe and memorable experience. We are certain you will witness firsthand the hospitality and friendliness that South Dakota is famous for. Again, thank you for choosing Huron and the South Dakota State Fair Park. We hope to see you back soon. Sincerely,

Jerome Hertel

South Dakota State Fair

As Mayor, it gives me great pleasure to extend a warm welcome to all participants of Wally Byam Caravan Club International.

While you are visiting our town, please take advantage of all that Huron has to offer including our new water park, Splash Central, located at 345 9th Street S.W. The Huron Visitor Center located at 1725 Dakota Avenue South (Highway 37) can help direct you to the many other shopping, entertainment resources and a variety of recreational opportunities, including beautiful parks, golf courses, a wellness center, walking trails, fishing, paddle boats, miniature golf, swimming, and a series of murals downtown that depict the history of our city. Huron also hosts the South Dakota State Fair, Dakota State Fair Speedway, several rodeos, livestock events, sporting events and the best pheasant hunting in the world.

If you would like more information about shopping or recreational opportunities in Huron, please contact the Huron Chamber & Visitors Bureau at 1-800-HuronSD or www.HuronSD.com. Please take advantage of all that Huron has to offer, enjoy the festivities, and come back again soon. Sincerely,

Visit the area after registering and sign-up for your favorites, such as Region luncheons, commercial tours, flea market tables, indoor games, contests, National caravans and rallies, and other events. Stroll by the tables to be sure you have signed up and note the time and place the activities will be held.

RECYCLING

While in Huron at the International Rally, members will be able to recycle. Containers will be available on site and material may be co-mingled in one container. Aluminum will have a separate container. *Regular garbage including glass should be put in the regular garbage containers.*
